MEMORANDUM FOR THE RECORD

SUBJECT: Briefing for SSCI Staffers on Middle East Terrorism
and Libya

On 3 January at 1530 hours in Room 7E32 Headquarters, SSCI staffers Jim Dykstra, Carmen Battaglia, and Bruce Berkowitz were briefed by representatives of the DI/NESA and DI/OGI under the chairmanship of the National Intelligence Officer for Near East South Asia, Graham Fuller. [redacted] Liaison Division, OLL, attended the briefing. The briefing consisted largely of a current situation report regarding the recent bombings in the Rome and Vienna airports. The briefers described the Abu Nidal group and its past history. They also discussed Libya, its likely reactions to various US or Israeli courses of action, and its recent acquisition of Soviet SA5s. Prospects for terrorist actions in Western Europe were also discussed. No follow up actions were noted. (C)
